# A Dining Room your friends will admire!

**THE FLOOR GIVES THIS  
ROOM ITS SPARKLE**

The charm of this restaurant dining room comes from the floor, happy as its gleamingly sparkling surface of rich, warm, resilient Marbolem with finishing of the same material.

gives of lustrous and durable life. Yet it is a floor you can have for a handsome outlay, far less than you imagine.

Why not ask a carpenter or architect to show you the latest in floor covering? You will find there are no other modern materials so durable, so easy to care for, so beautiful. And you'll find it's a safe choice if you are there to give your home a distinctive personality of its very own.

**MARBOLEUM FLOORS  
and MUROLEUM WALLS**  
*for Lasting Character and Beauty*

Marbolem and its companion product, Muroleum for walls, will lift your dining room to any level to your imagination of comfort and beauty and will give your home a distinctive personality of its very own.

The hold of the dining room floor is Marbolem (patented 1931) and its companion product, Muroleum (patented 1931), which makes it possible to have a dining room floor that is as beautiful as it is durable.

**LOOK  
WHAT  
FORD  
OFFERS!**

**WIDE TRAIL WHITE**—Ford has the power steering that makes it easy for you to steer. Also, the new, big, powerful, big motor, big motor, big motor. Larger, larger, larger.

**A NEW, BIG, SMOOTH RIDE**—This is the new, big, smooth ride that makes it easy for you to ride. Also, the new, big, smooth ride, big motor, big motor, big motor.

**WIDE LUGGAGE ROOM**—All Ford V-8s have the new, big, smooth ride, big motor, big motor, big motor.

## ***Bigness! Smooth Riding! Economical Operation!***

• A great, smooth, comfortable ride comes roaring down the road. What is it? New drive... it's the 1941 Ford! A Ford that's stepped up to the big size class, with longer wheelbase and springs. A Ford with roomy, smooth, almost hidden in the new, wide-opening body curves. A Ford you'll really be proud to see in your driveway.

You sit, this Ford is just as big and beautiful inside as out. Its spaciousness says "Welcome folks, all are of you." There's more seat room, leg room, head room. Expansive windows give improved vision from, over and back roads.

### **Sensation new riding comfort**

You've never felt the thrill of a ride like this in any low-priced

car before. On new "Slow-motion springs" with improved hydraulic shock absorbers, and ride stabilizer, you simply float along.

### **Greatest engine in the low price field**

You'll expect a powerful engine in a car of such size and beauty. It's a Ford V-8 engine, no less. Eight cylinders, smoothness, as in America's highest, price tag. V-type performance as in America's most reliable, price tag. No less, no less, no less. The engine which held world's records on land, sea and in the air. Greatest economy that has outstripped all competitors in one official contest after another. Reliability that guarantees Ford owners to buy one Ford after another.

So why not see... and drive... this big, beautiful car with eight cylinders shaking underneath. Visit a Ford dealer today.

***plus the Power and Smoothness  
of a V-8 Engine***

### **NEW QUIETNESS THROUGHOUT**

- Five big changes bring a sensation of ride. Motors are lower in the low price field... 1. New sound deadening throughout the car... 2. New body rigidity... 3. Body shock absorbers, completely new design... 4. 200% wider frame... 5. Quicker dual wheels to absorb road bumps.

WITH CHRYSLER'S FLUID DRIVE  
and  
SIMPLIMATIC TRANSMISSION

DAD'S GIFT of a big, luxurious Chrysler is even more thrilling than they imagine. Just wait until they *drive* this most modern of motor cars. Under that gleaming hood there's a new, more powerful Spitfire engine with multiple-jet carburetor . . . separate jets for different speeds and power requirements—*Spitfire* jet for a rush of power when wanted. Back of this great engine, transmitting this eager power with unbelievable smoothness, through oil, is Chrysler's amazing Fluid Drive. The new Chrysler Simplimatic Transmission takes care of all gearshifting in normal driving. All fun . . . no work. It's just like flying on land. Try it!

“And now my dears, people will say to you, too—

I SEE YOU DRIVE A

Chrysler”
